**A Good Way to Clear Pimply, Blotchy Skins**

You need a soap which not only cleans our skin, but also soothes, heals and protects it—that is why you should get a cake of Resinol Soap from your druggist. This pure and delightful toilet soap contains the Resinol medication, a standard prescription for skin troubles. It therefore affords a mildly antiseptic protection to the skin, which merely pure soap does not do. Resinol Soap keeps the skin in a clean, healthy condition and insures a clear, natural complexion, and rich, lustreous hair. Twenty-five cents at all druggists and dealers in toilet goods. Advt.
